

## HED-FW50

### HEDBOX HED-FW50 1050MAH / 8WH DV BATTERY PACK FOR SONY - LI-ION BATTERY 7.4V (FW50)

---

#### OVERVIEW:

Hedbox HED-FW50 DV Battery Pack is an ultra-high capacity 8Wh 1080mAh Lithium-Ion battery designed to power Sony Alpha DSLR and mirror less cameras, as well as third-party peripherals, that accept SONY FW style batteries. Utilizing high quality cells, the stability and performance of this battery pack is unrivalled, while a built-in data communication chip ensures the display of exact battery percentage within the user interface of the host camera.

---

#### FEATURES:

##### Data Communication with Camcorder

Using the built in data communication chip, the battery syncs with the Cameras to display the exact power percentage on the LCD screen.

##### High Power Capacity

Small and lightweight, the HED-FW50 is an ultra high-capacity info-lithium battery designed to power any Sony DSLR camera, including a multitude of other units that accept the FW Sony style battery mount. With the high quality cells, the stability and performance in the studio and the field are always guaranteed.

##### High Quality Li-Ion Cell

Latest Samsung and LG lithium-ion battery cells are used in Hedbox battery packs. They provide no effect on memory, give high efficiencies, and allow for a compact and lightweight battery.

##### No Memory Effect

Hedbox batteries provide the advantages of lithium-ion, meaning it can be charged or discharged at anytime without developing a memory effect. This means the battery never loses its ability to hold a full charge.

##### Multiple Protections

The circuit in the battery pack has multiple protections: abnormal current protection, voltage protection, short circuit protection, and overheating protection. This allows for the battery to have a longer operational life and a safer use for professional purposes.

##### Environmentally-Friendly

Hedbox batteries are fully in compliance with European Union RoHS (Restriction of Hazardous Substances) regulations and are 100% free of lead, cadmium, and mercury. Hedbox products take part in actively protecting the environment and preserving the highest standards of environmental protection.
